MEMORANDUM FOR: Deputy Director (Support)

JAN 23 1957

SUBJECT: Privately-owned Property Claim  
[REDACTED]

25X1A9a

25X1A6a

1. This memorandum contains a recommendation submitted for the approval of the Deputy Director (Support). Such recommendation is contained in paragraph 3.

2. In accordance with the provisions of Regulation [REDACTED] the attached claim for reimbursement, in the amount of \$12.00, was considered by the Headquarters Board of Survey in a meeting held on 17 January 1957. Forwarded by the Chief, FE Division, with a request for approval, this claim concerns damages to subject employee's PCS shipment of private property, which occurred in transit to headquarters from [REDACTED] during the period 2 June - 3 September 1956. A Smith-Corona portable typewriter was found to be rusted upon receipt of the shipment, and was thereafter washed and oiled by a local typewriter service company. Packing and commercial shipping [REDACTED] arrangements, authorized by FE-738-56, were handled by [REDACTED] Logistics Section in accordance with Agency contract arrangements; security and cover considerations preclude a claim against the commercial carrier.

3. After review and deliberation of the evidence submitted, including repair receipt, the members of the Board concluded that the claimant has sustained damage to his private property directly connected to service with CIA, and has been precluded, on security-cover considerations, from reimbursement in normal channels. The Headquarters Board of Survey unanimously recommends your approval of Mr. [REDACTED] claim, and reimbursement in the amount of \$12.00, typewriter repair costs.

4. All requirements for the submission of a claim under R [REDACTED] have been properly fulfilled by the claimant.

5. In view of the security factors incident to subject individual's assignment in the field station, it is necessary that any reimbursement on claim be made from Confidential Funds.
